- EBITDA was Rs (13.2) million as compared to Rs (15.6) million in Q1FY20
- Net loss for the quarter was Rs 10.9 million as compared to net loss of Rs 13.9 million in Q1FY20

#### About Xelpmoc Design and Tech Ltd.

Xelpmoc Design and Tech Limited is engaged in providing professional and technical consulting services with focus on product development, data science and analytics. The company is focused on building the next generation of technology in Artificial Intelligence (AI) and Machine Learning space, with a keen interest in Natural Language Processing & Data Analytics. The Company's clients range from entrepreneurs and start-up enterprises to established companies, engaged in e-commerce, transportation and logistics, recruitment, financial services, social networking, and various other industries. The Company provides a wide range of services, including, mobile and web application development, prototype development, thematic product development and data science and analytics assistance.

The Company grows its portfolio of services and products as the needs of its clients evolve. The Company commenced operations in Bengaluru, India, in 2015 and has since serviced enterprises across four states in India. The Company's business operations may broadly be categorized as technology services, and technology solutions/ products. The Company also occasionally provides business support to some of its clients to enable them to set-up their operations.

The Company believes that it is among the few technology service providers with accessibility to domain experts. It benefits from the expertise and experience of its Promoters and senior management in a range of sectors including financial services, retail, media and entertainment, and business services. It also carries out its operations through its joint venture and associate.

The Company is promoted by Sandipan Chattopadhyay, who has around two decades of experience in the information technology industry, Srinivas Koora, who has over 16 years of experience in the field of accounts and finance and is primarily responsible for devising the strategy for the Company, and Jaison Jose who has been instrumental for the implementation of operational plans, operation strategies, budgets and forecasts at the corporate, regional and business unit level.
