About Xelpmoc

Xelpmoc Design and Tech Limited is a provider of professional and technical consulting services, offering technology services and end-to-end technology solutions and support. The Company's clients range from entrepreneurs and start-up enterprises to established companies, engaged in e-commerce, transportation and logistics, recruitment, financial services, social networking, and various other industries. The Company provides a wide range of services, including, mobile and web application development, prototype development, thematic product development and data science and analytics assistance.

The Company grows its portfolio of services and products as the needs of its clients evolve. The Company commenced operations in Bengaluru, India, in 2015 and has since serviced enterprises across four states in India. The Company's business operations may broadly be categorized as technology services, and technology solutions/ products. The Company also occasionally provides business support to some of its clients to enable them to set-up their operations. The Company believes that it is among the few technology service providers with accessibility to domain experts. It benefits from the expertise and experience of its Promoters and senior management in a range of sectors including financial services, retail, media and entertainment, and business services. It also carries out its operations through its joint venture and associate.

The Company is promoted by Sandipan Chattopadhyay, who has 27 years of experience in the information technology industry, Srinivas Koora, who has over 26 years of experience in the field of accounts and finance and is primarily responsible for devising the strategy for the Company, and Jaison Jose who has been instrumental for the implementation of operational plans, operation strategies, budgets and forecasts at the corporate, regional and business unit level.
